

WELCOME TO

DANDELION

TO THE WORLD OF HEALTH AND LONGEVITY

Global MLM corporation

ABOUT COMPANY

DANDELION is an international MLM company, providing holistic solutions for optimizing health and generating a respectable income.

Products with proven effectiveness

Our products are developed utilizing innovative technologies and proven methods by top nutritionists.

Company's Legitimacy

The operations of Dandelion company are official as it is registered in the state of Delaware in the United States.

Global standard

The company establishes representative offices in various countries worldwide, including Great Britain, Kazakhstan, India, Spain, and Germany.

CORPORATE LOGO **DANDELION**

Symbolizing lightness and robustness, reflects the philosophy of biohacking.

The dandelion symbolizes beauty and resilience, thriving in unexpected locations despite challenges. It serves as a metaphor for the company's natural strength, offering healing and revitalizing life.

We develop innovative health and longevity products and market them globally through MLM marketing.

MISSION

OUR MISSION

SOCIETAL ADVANCEMENT

By producing and distributing efficacious health products.

01 PROMOTING PRODUCTS TO THE PUBLIC

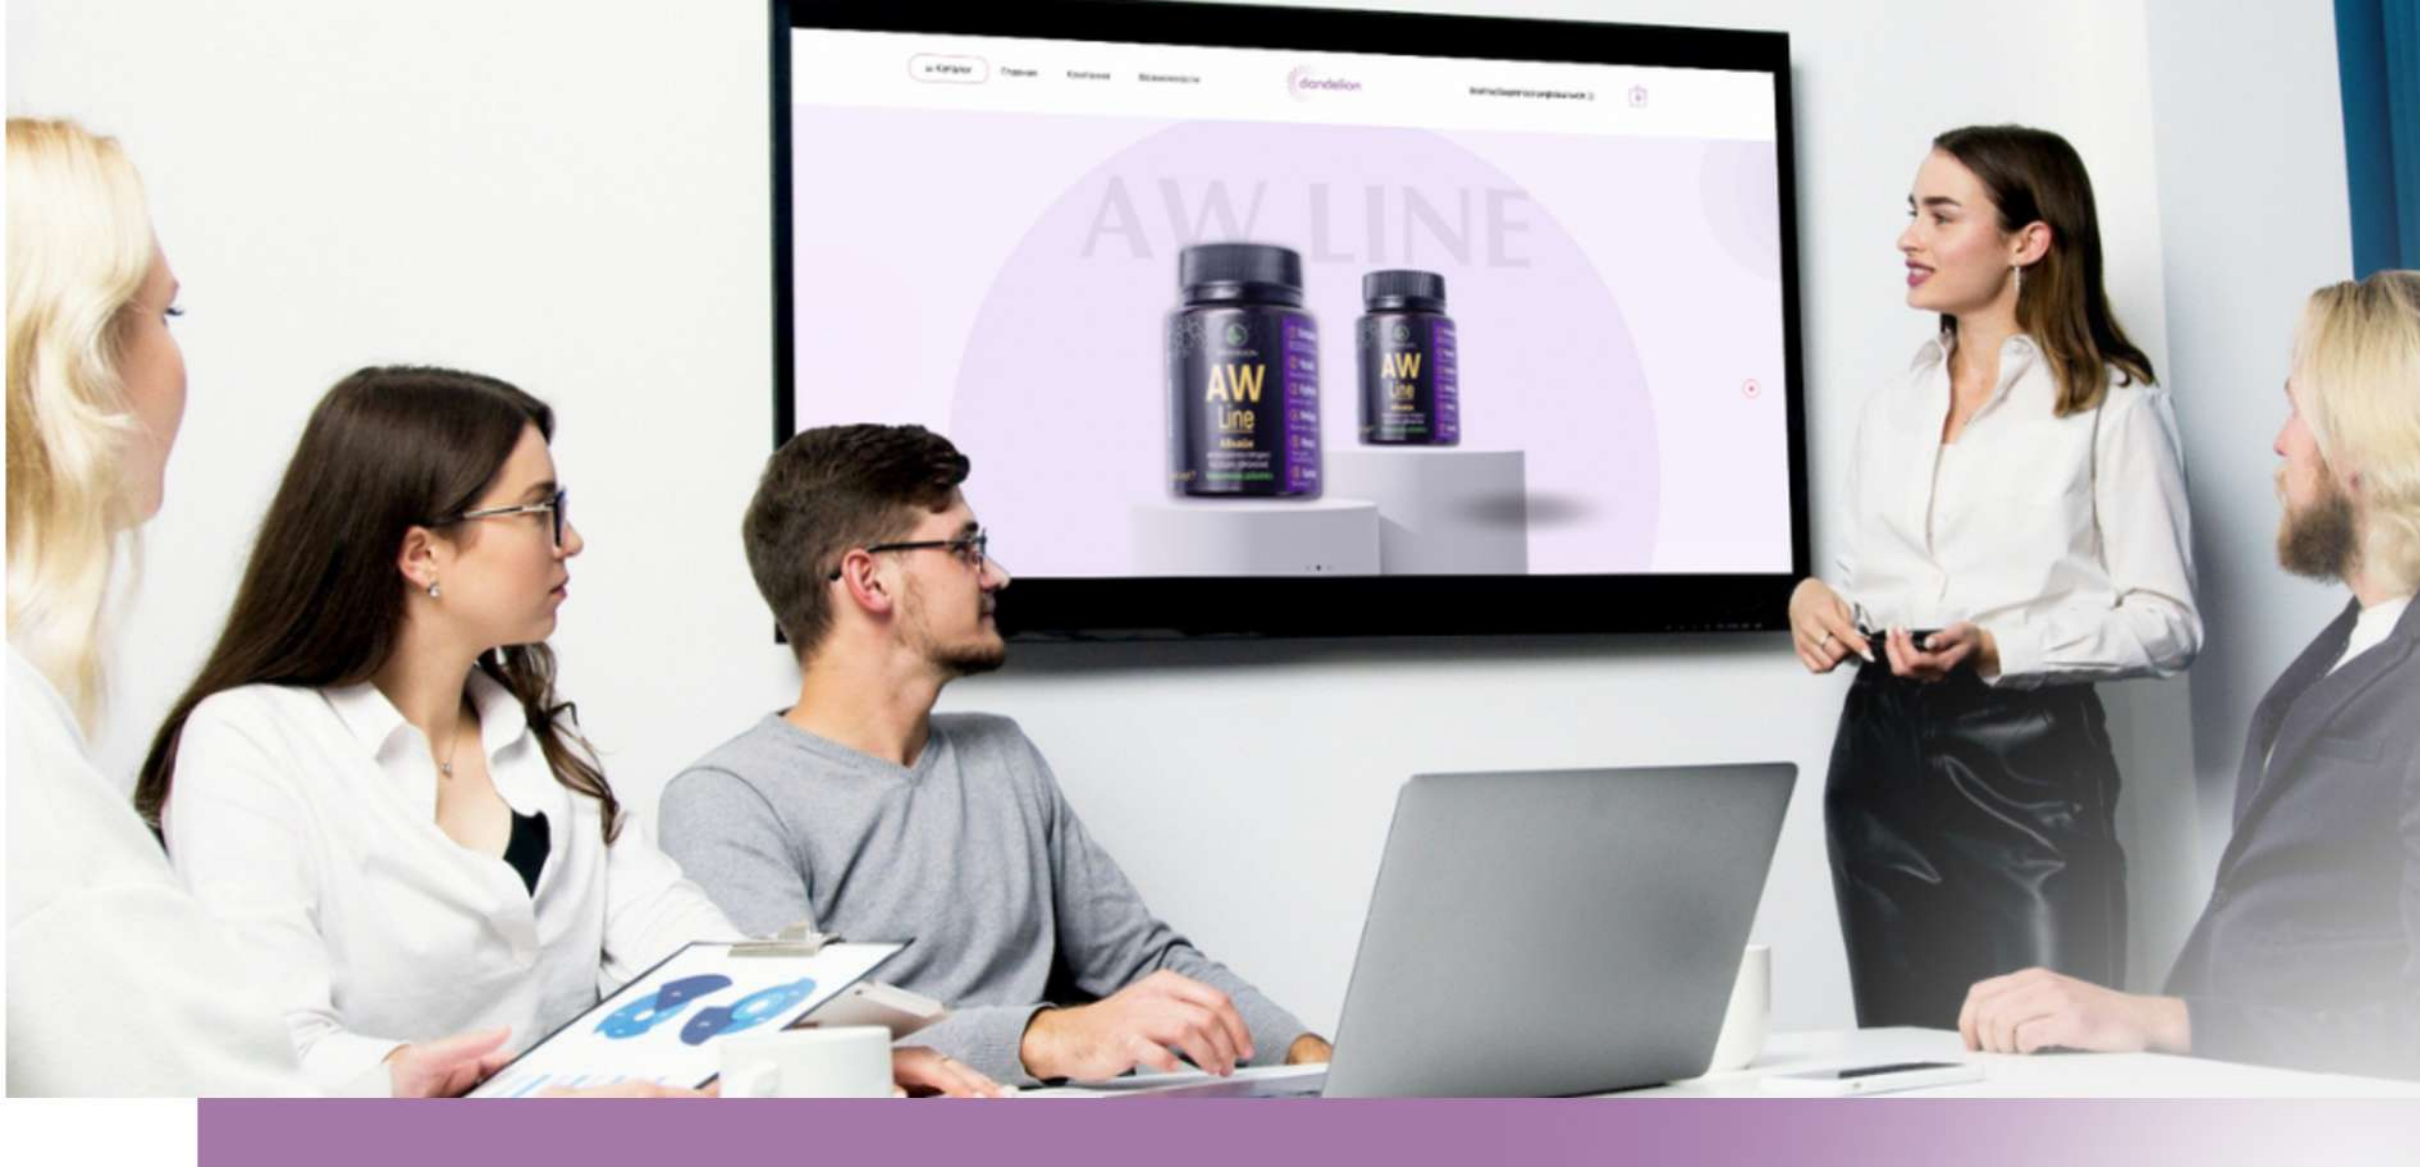

This will aid in extending the quality and duration of life.

02 ENHANCE HUMAN PRODUCTIVITY

Contribute to the disclosure of his inner strength and natural potential.

03 DECREASE INDIVIDUALS' BIOLOGICAL AGE

Ensure their utmost happiness, preserving their beauty and vitality for years to come.

PRINCIPLES

OUR GUIDING PRINCIPLES AND CORE VALUES

Innate Purity

All components in our products are entirely natural.

02

Experts in their field

DANDELION products are developed by experts in the areas of dietetics, biochemistry, and medicine.

03

Innovative Solutions

Implementing successful global practices enables us to surpass all expectations with our results.

CORE VALUES

06

OUR PREMIER PRODUCT

Premium H₂

MAGNESIUM HYDRIDE

Dandelion H₂ Premium functions as an anticoagulant by thinning the blood, with magnesium as its primary component.

Tartaric and malic acids, along with sodium stearyl fumarate, are utilized as additional components. It doesn't contain GMOs and flavorings, it is a fully organic product. Produced utilizing the patented MULTIFERMENT DDL technology.

INNOVATIVE PRODUCTS COMPANIES

PREMIUM H2

Enhances the immune system, triggers the body's innate defenses, enhances general well-being, imparts strength, decreases the occurrence of dizziness and migraines, and normalizes blood circulation.

AW LINE

Antimicrobial, tonic, bactericidal, fungicidal, antispasmodic, sedative, diuretic, choleric, hepatoprotective, cardiostimulating, and anthelmintic properties.

ARTROline

Promotes the restoration of connective tissue in joints affected by musculoskeletal diseases and inflammations with associated pain syndromes.

HAPPYLINE

Happyline is a botanical product derived from ginkgo biloba, valerian, hops, and lemon balm. It enhances blood vessel integrity, boosts memory and cognitive function, alleviates stress, and promotes better sleep quality.

GEPOLINE

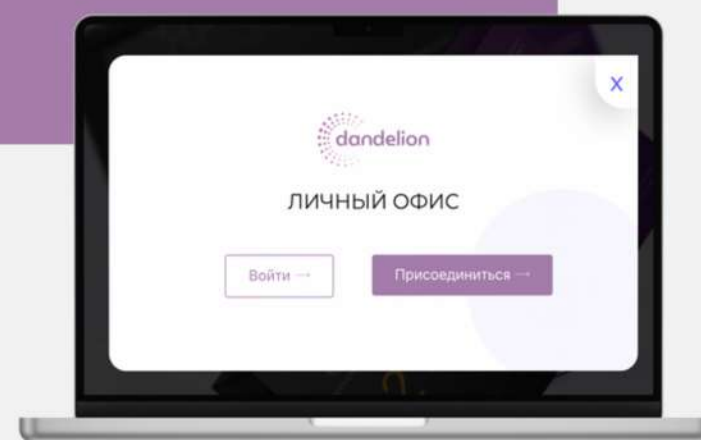

Gepoline is a natural dietary supplement with potent antioxidant and anti-inflammatory properties that aid in the regeneration and protection of liver cells from toxins, promoting body detoxification and fortification.
